

AI or Human

Sorting Activity

Can you decide who should help?

AI can help people with some tasks, like finding patterns, making suggestions, or answering questions.

People are still needed for kindness, fairness, feelings, safety, and important choices. Help Lumi sort each task!

Who should help?

Draw a line or color the circle to choose:
AI Helper, Human Helper, or Both!

Task	AI	Human	Both
 Suggest a song you might like	☐	☐	☐
 Comfort a friend who feels sad	☐	☐	☐
 Find a pattern in many pictures	☐	☐	☐
 Decide if a rule is fair	☐	☐	☐
 Help spell a tricky word	☐	☐	☐
 Choose what is kind to say online	☐	☐	☐

Draw a helpful AI tool:

What could it help do?

Lumi's Big Questions

Which task should
always need a human?

.....

When could AI and a
human work together?

.....

How can people use AI in
a kind and safe way?

.....
